NEGRO BOY KILLED .- We learn that a negro boy, the property of Dr. John Gatling, was killed on the Central Railroad, near this place, on the 4th inst. The negroes, it appears, having the day to themselves, asked permission of the overseer to use a hand-car to haul rock to the Depot for some one who emptorily refused; but they took the car in his absence, loaded it, and in descending the having no brake to it, acquired great velocity, ran off, threw the boy upon the rail, when one of the wheels ran over him killing him almost instantly. The authorities of the Road are, therefore, not to blame for the accident.

DEATH OF ALPHEUS JONES .- We record. with feelings of sincere sorrow, the death of Alpheus Jones, Esq., of this County. He expired at his residence on the 4th inst., after

a lingering illness of consumption. Mr. Jones was a young man, probably not over thirty-four years of age. Though educated for the legal profession, and with fair prospects of success and distinction as a lawyer, he preferred the calmer and more quiet walks of life, and turned his attention to Agriculture. He was one of the best and most systematic farmers in the State. He was a scholar, a gentleman, and an honest man. "Green be the turf above thee,
